1. Latest status of Suspended Stock held by the Terminating ETF

As disclosed in the First Announcement, it is stated that if there is any change to the condition of the Suspended Stocks before the Trading Cessation Date, the Manager will issue an announcement as soon as practicable to inform investors of any updates.

The purpose of this Announcement and Notice is to inform the investors that as of 13 June 2023, the following Suspended Stocks is held by the Terminating ETF:

Name of Suspended Stock	Total holdings of Suspended Stock	% of Net Asset Value of the Terminating ETF
Yango Group Co., Ltd. (000671.SZ)	3,900	0.004%

As of 14 June 2023, there is currently no active market on any stock exchange or current market price for the Suspended Stock, and there is currently no indication that the Suspended Stock will resume trading before the Final Termination Date.

In the First Announcement, it is stated that if there remains no active market for the Suspended Stocks on any stock exchange or any over-the-counter market, to avoid undue delay in the payment of that part of the Distribution referable to the Suspended Stocks (if any), the Manager will consider what options, if any, are available at the relevant time, with the aim of avoiding undue delay in the payment of the Distribution referable to the Suspended Stocks (if any).

An option the Manager may pursue to seek to avoid undue delay in the payment of any Distribution referable to the Suspended Stocks is to arrange for third party stockbroker(s) to purchase the Suspended Stocks from the Terminating ETF at the fair value of those Suspended Stocks ("**Stockbroker Purchase Arrangement**"). It is intended that the Stockbroker Purchase Arrangement (if possible) will be carried out as soon as possible after the Trading Cessation Date, so that the proceeds from the Stockbroker Purchase Arrangement would form part of the Distribution.

In the event that the Stockbroker Purchase Arrangement cannot be implemented (such as if the Manager is unable to source third party stockbroker(s) that are willing to purchase the Suspended Stocks) the Manager, in consultation with the Trustee, will need to reconsider whether any other options are available to dispose of the Suspended Stocks.

Based on the current status, the Manager will proceed with the treatment of Suspended Stocks as disclosed under the First Announcement.

Investors are strongly advised to read and consider the First Announcement together with the Prospectus, for further details in relation to the Trust and the Terminating ETF, the termination, deauthorisation and delisting and the applicable risk factors and their implications to investors.
